Informed Consent/Release and Discharge of Liability (2019-20)

I understand by the very nature of the activity, cheerleading and gymnastics carry a risk of physical injury. No matter how careful the members and coaches are, how many spotters are used, or what landing surface is used, the risk cannot be eliminated. Cheerleading is a vigorous & physical activity involving motion, rotation and height in a unique environment which carries with it a higher than ordinary risk of injury. On rare occasions, these injuries could be serious, severe or life threatening. I understand these risks and release and discharge employees, agents, instructors, coaches, volunteers and directors of the activity from any and all liability, claims, or causes of action resulting in any kind of damages, illness, injuries, to my child in any way relating to or arising out of this activity.
