Parent/Guardian Financial Obligation (21-22)

There are certain responsibilities and obligations which must be assumed if your child is a member of the CGUHS Cougar SpiritLine. One such responsibility is meeting the financial obligations of each squad. Although the ultimate obligation belongs to the parent/guardian, the team will work together whenever possible to minimize the personal obligation. Fundraising opportunities are organized such that each cheerleader can help to offset their financial obligations as long as they dedicate the time and work hard. Therefore, financial obligations should not be a deterrent to tryout. As an aside, the team will only participate or purchase items, if all financial obligations are met. Please understand that financial obligations listed in this packet are not limited to just those items. Expenses can and often do come up during the year. All expenses are asked to be paid on time as stated on the cost sheet so that they can be received in time. Specific fundraising events have been set up to cover extra cost of the program(cheer wear/gear). Once any item(s) have been ordered, parents/guardians are responsible to pay for it. All monies paid are non-refundable. If a member resigns or is removed from the squad for any reason, all monies collected are non-refundable. If a member quits or is removed from the squad prior to receiving any cheer wear they will forfeit receiving those items and will not be reimbursed any money. If there is an outstanding balance at the end of the year, for any reason, CGUHS will hold that amount on the individuals bookstore account until payment is made in full. Any unused personal fundraised monies at the end of the year will be added to the Spiritline account and will not carry over to the individual the following season. No monies will be given for amounts not used within the specific season in which they were raised. Please seriously consider these financial obligations prior to making a commitment to the Cougar SpiritLine. I/We have read the financial obligation form and understand my financial obligation.

Informed Consent/Release and Discharge of Liability (21-22)

I understand by the very nature of the activity, cheerleading and gymnastics carry a risk of physical injury. No matter how careful the participants and coaches are, how many spotters are used, or what landing surface is used, the risk cannot be eliminated. Cheerleading is a vigorous & physical activity involving motion, rotation and height in a unique environment which carries with it a higher than ordinary risk of injury. On rare occasions, these injuries could be serious, severe or life threatening. I understand these risks and release and discharge employees, agents, instructors, coaches, volunteers and directors of the activity from any and all liability, claims, or causes of action resulting in any kind of damages, illness, injuries, to my child in any way relating to or arising out of this activity.
