Dear Spiritline Candidate & Parents,

Thank you for your interest in the 2025/2026 CGUHS Varsity Cougar Spiritline. We appreciate your enthusiasm and interest in our program. This year's squads look to build on the traditions of the past and raise the squad performance to a new competitive level. We are seeking spirited, motivated, and dedicated individuals who are committed to representing Casa Grande Union High School Spiritline.

Being part of the program can be a truly rewarding experience, but it also requires a tremendous time and dedication commitment from every member. By trying out for the CGUHS Varsity Spiritline in April, you have chosen a commitment to be a part of a **full-time** competitive team. Members **are not allowed** to participate in any other competitive sport/team including all-star/rec programs during the cheer season (May-Feb)

Members may participate in on-campus and off-campus extra-curricular activities (Stu Co, Key Club, FFA, Youth Group, jobs, etc.) with the exception that it does not interfere with the member's attendance to practices, games, competitions, performances, fundraisers, community events, camps, and any other team event or activity.

Additionally, a squad member must be able to work well with others, have a positive attitude, and maintain academic eligibility. Please be aware of this as you prepare to take on the challenges and responsibilities of becoming a member of the Cougar Spiritline.

Student commitment and parental permission for Cougar Spiritline Tryouts

I hereby commit to full participation in the 2025/2026 Cougar Spiritline. I understand that I am required to try out before I can be announced as a team member. I understand there are certain guidelines that I must meet to be eligible to try out. I understand scores are based on all aspects of cheerleading by both the coaches and a panel of judges and I agree to abide by their decision. I understand that participating in tryouts does not guarantee a spot on one of the squads. I understand the ultimate decision on the team placement is made by the head coach with full support from the CGUHS administration. All cuts and placements are final and are not open for discussion.

Informed Consent/Release and Discharge of Liability (25-26)

I understand by the very nature of the activity, cheerleading, and gymnastics carry a risk of physical injury. No matter how careful the participants and coaches are, how many spotters are used, or what landing surface is used, the risk cannot be eliminated. Cheerleading is a vigorous & physical activity involving motion, rotation, and height in a unique environment which carries with it a higher than ordinary risk of injury. On rare occasions, these injuries could be serious, severe, or life-threatening. I understand these risks and release and discharge employees, agents, instructors, coaches, volunteers, and directors of the activity from any liability, claims, or causes of action resulting in any kind of damages, illness, or injuries, to my child in any way relating to or arising out of this activity.

Parent/Guardian Financial Obligation (25-26)

Some certain responsibilities and obligations must be assumed if your child is a member of the CGUHS Varsity Cougar SpiritLine. One such responsibility is meeting the financial obligations of the squad. Although the ultimate obligation belongs to the parent/guardian, the team will work together whenever possible to minimize the personal obligation. Fundraising opportunities are organized such that each cheerleader can help to offset their financial obligations as long as they dedicate the time and work hard. Therefore, financial obligations should not be a deterrent to trying out. As an aside, the team will only participate or purchase items, if all financial obligations are met. Please understand that the financial obligations listed in this packet are not limited to just those items. Expenses can and often do come up during the year. All expenses are asked to be paid on time as stated so that they can be received on time. Specific fundraising events have been set up to cover the extra cost of the program (cheer wear/gear). Once any item(s) have been ordered, parents/guardians are responsible for paying for it. All monies paid are non-refundable. If a member resigns or is removed from the squad for any reason, all monies collected are non-refundable. If a member quits or is removed from the squad before receiving any cheer wear they will forfeit receiving those items and will not be reimbursed any money. If there is an outstanding balance at the end of the year, for any reason, CGUHS will hold that amount on the individual's bookstore account until payment is made in full. Any unused personal fundraised monies at the end of the year will be added to the Spiritline account and will not carry over to the individual the following season. No monies will be given for amounts not used within the specific season in which they were raised. Please seriously consider these financial obligations before committing to the Cougar Spiritline.

I/We have read the financial obligation form and understand my financial obligation.
